During the month of January you may notice the staff will be rearranging books, and cleaning up our collection. We have allocated several weeks for this process in order to introduce new materials, reorganize existing collections, and make materials easier to locate. We will return to our regular programming load in February and appreciate your patience during this time of reorganization. If you have any questions please contact the children's library via phone at: (931) 375-6507 or e-mail: skoroll@maurycounty-tn.gov
